SUPPLIER**PRODUCT**

A & D Engineering Absolute Standards, Inc.	electronic balances environmental reference
Agilent Technologies	GC, HPLC chromatography products
Ahlstrom Filtration-Eaton Dikeman	filter paper
Alconox	laboratory cleaners
Aldrich-45	see Sigma
All-Pak-34	infectious material shippers
Alltech Associates	chromatography supplies
Alpha Pro Tech	protective apparel, infection control
American National Can Amresco-1328	parafilm life science, biochemical and chromatography products
Anachemia Chemicals, Inc.-19	reagent chemicals
Applied Biosystems-2294	solutions and standards PCR reagents
Avantor-2 & 11	reagent chemicals HPLC columns solid phase extraction columns and apparatus TLC plates Tubes
Axygen Scientific-383	pipet tips, micro centrifuge
J T Baker-11	reagent chemicals HPLC columns solid phase extraction columns and apparatus TLC plates
Barnstead-16	water purification water distillation water filtration laboratory equipment
BD Labware - Falcon-3	plastic pipets and tubes tissue culture products
BD Vacutainer BD - Clay Adams	specimen collection products intramedic tubing centrifuges
BD - Microbiology Systems-10	dehydrated culture media prepared culture media microbiological supplies diagnostics
Bel-Art Products-8	laboratory plastics stirring bars
Belco Glass, Inc.-1323	reusable glassware
Benchmark Scientific Berlin-34	benchtop lab equipment
Bertin Technologies	infectious material shippers
Best Manufacturing Bio 101	homogenizing, lysing equip. gloves nucleic acid purification kits, PCR cleanup, yeast kits and media, bacterial growth media, lysing products
BioPlas	research grade plasticware

SUPPLIER**PRODUCT**

Biohit Bioresource	liquid handling biological sera & reagents
Black Machine	aluminum / stainless steel labware
Blue M-1367 Boekel Industries-13 Brandtech-478	ovens, water baths, furnaces laboratory equipment bottle-top dispensers digital burets
Branson-2894 Brinkmann-38	ultrasonic cleaners rotary evaporators chillers autoclaves stomachers
Buchler Instruments	electrophoresis supplies rotary evaporators
Bulbtronics Burdick & Jackson	bulbs, batteries high-purity solvents, chemicals
Cadence Science Caframo, Ltd. Cahn Calbiochem	cannulae stirrers ultra micro balances biochemical and immunochemical reagents
Cargille Laboratories	immersion oils density standards see Mediatech
Cellgro Celltreat Scientific Cerilliant	cell and tissue culture labware certified reference standards, certified reference materials
Chase Scientific Glass-28 Chemglass-1399 Chemplast Chem Service, Inc.-213 Chromacol, Inc. Coleman Comar Control Company-291	disposable glassware lab glassware teflon ware environmental standards autosampler vials coolers disposable glassware and caps timers, thermometers, hygrometers
Controlled Environment Equipment Corp. Coors Ceramic Co. Corning, Inc.-1 & 83	cleanroom supplies porcelain labware reusable / disposable glassware hot plates / stirrers tissue culture ware disposable plasticware PCR tubes
CPI - The Alternative Supplier Crystal Tech	analytical consumables storage boxes & racks
Difco Laboratories-10 Dimco-Gray Diversified Biotech Dow Corning Drierite / WA Hammond	see BD Microbiology timers tabs, spots, stretch film silicone grease desiccants
