SAVE BIG ON OHAUS CENTRIFUGES WITH SPECIAL LIMITED TIME PRICING!

The OHAUS Frontier™ 5000 Series of centrifuges are available in a range of sizes, making them able to meet all sample separation needs!

Designed for universal use in multiple applications in research, industrial, and clinical laboratories, Frontier™ 5000 Multi-Pro Centrifuges offer high-speed performance at maximum volume, automatic rotor identification, and many safety features.

Frontier™ 5000 Micro centrifuges deliver high-speed operation for a range of essential lab applications, such as DNA/RNA preparation, ultrafiltration, and more, and are engineered for convenience of operation, with an intuitive interface and all key parameters immediately accessible for observation and adjustment.

For a limited time, take advantage of super low pricing on an OHAUS Frontier™ 5000 Multi-Pro or Micro Centrifuge!

Special pricing valid through June 30th, 2025. To place your order, contact your Krackeler Sales Representative or head to www.krackeler.com
