- Ergonomic finger support minimizes the grip force needed to hold the pipette
- Optiload mechanism in multichannel models for easy and light tip loading with perfect tip sealing
- Volume range from 3µL (5µL for fixed) to 10mL
- Color-coding of different volumes to ease the selection of matching pipette tips
- Simple to clean and maintain with only three parts to disassemble

Special offer valid only for the US from January 1, 2026 to December 31, 2026 and cannot be combined with other offers.
