

Improved technology in ultra low temperature freezers at a very special price!

Take advantage of very special pricing to obtain top of the line TSX ULT's with two shelves of racks and light bar kit.

Thermo Scientific™ TSX Ultra Low Temperature Freezers have been improved with frost reduction and improved connectivity. In addition, we are offering two shelves of racks and our new light bar kit that provides a very unique and useful visual indication of alarm conditions. The TSX line incorporates technology that provides sample protection, energy savings and more capacity than ever before while providing a better working environment with less heat output and quiet operation. All TSX units are SNAP compliant and Energy Star Certified

For a limited time, you can choose special pricing on selected TSX ULT's that include two shelves of racks and the light bar accessory."

Sustainability doesn't mean sacrifice: Our cold storage solution is the best of all worlds:

- SNAP compliant green hydrocarbon refrigerants that reduce CO₂ emissions by over 30%
- Energy usage and cost reduced by over 50% (All TSX units Energy Star Certified)
- ACT labels on all units. Focus on sustainability above and beyond energy usage
- Fast recovery after door openings
- Tight temperature variation with low peak variation
- Whisper quiet with low heat output and 25% more capacity*
- Package includes two shelves of sliding drawer racks and the light bar kit.

*in comparison to an average 10 year plus unit with ozone depleting refrigerants.
